

# APPLICATION CHECKLIST

## PROFESSIONAL MBA

**If you're planning on applying to Rice Business, you're likely a high achiever. Want to highlight all your qualifications in the application? Let us know how we can help.**

Below is a checklist for your application to help guide you through the process. Still have questions? Please feel free to reach out to 713-348-4918 or ricemba@rice.edu.

### □ EDUCATION HISTORY

Details

- Transcripts from all colleges or universities where you received a degree.

Tips

- You can submit unofficial transcript copies for your application. We will need official transcripts, sent directly to us by your institution, at enrollment. We require a third-party transcript evaluation service for transcripts from non-U.S. degrees.

### □ TEST SCORES

Details

- Valid GMAT, GRE or Executive Assessment scores from the last five years.
- We will consider your highest cumulative score.
- All exams must be taken on or before the deadline for the round applied.

Tips

- There is no minimum GMAT, GRE or Executive Assessment score and no preference between which test you take.  
See class profile for average test scores.
- You can submit unofficial copies of scores for your application. We will need official scores at enrollment.

- Allow 8-10 weeks for test preparation.
- You can submit a GMAT waiver request from your application.

## □ RESUME

### Details

- Your current professional resume or CV

#### Tips

- Follow a 70-10-20 rule. This means that about 70 percent of your resume should focus on your work experience, 10 percent should describe your education, and 20 percent can inform on everything else relevant to your profile as a Rice Business candidate.
- Focus on what you've actually accomplished rather than simply describing your role and quantify your achievements wherever you can.

## □ LETTERS OF RECOMMENDATIONS

### Details

- One recommendation letter if it's from your current or former direct supervisor. Otherwise, please provide two professional recommendation letters.
- You may provide up to two recommendation letters.
- We use the GMAC Common Letter of Recommendation.

#### Tips

- Select recommenders who know you well professionally.
- Discuss with your recommender why you want to apply to Rice Business beforehand.
- Give recommenders advanced notice.

## □ REQUIRED ESSAYS

### Details

- We require two short answer responses (100 word limit) and one creative essay (500 word limit). For detailed instructions and topics, please consult our application file.

#### Tips

- Think you can get your point across better speaking? The creative essay also offers a three-minute video option.
- Make sure you stick to the word limit. Be clear and concise.
- Be authentic. We want to get to know you.
- Give yourself enough time to write, review and edit.

## □ OPTIONAL ESSAY

### Details

- Answer **optional** essay prompt: If you have any additional information for the admissions committee or if you wish to clarify any aspect of your application (including breaks in employment, your choice of recommendation providers, your past academic performance, etc.), you may submit an additional, optional essay. **Answer in essay form (500 word limit).**

#### Tips

- See Required Essay Tips

## □ ONLINE APPLICATION

### Details

- The online application requires you to input:
  - Personal Data (name, contact information, address, etc.)
  - Employment History (list employers, titles, salary, etc.)
  - Education History (list undergraduate and graduate degrees)
  - Awards and Extracurricular Activities

A speech bubble icon containing the word "Tips".

### Tips

- Help explain job transitions within the employment history section.
- Don't worry about repeating information that is on your resume.
- Complete online application while working on other aspects of the application. Use as a study break from the GMAT, GRE or Executive Assessment!

*Please consult the [MBA Application Guide](#). This checklist is entirely optional and a resource to help guide you with the Rice Business application only.*
