**ENTREPRENEURSHIP RANKING**

Back to Back #1 Ranking

For the third year in a row, Rice Business was ranked the No. 1 graduate entrepreneurship program in the United States by the Princeton Review and Entrepreneur magazine — for 2020, 2021 and 2022.

The Rice Business entrepreneurship ecosystem combines academic courses and co-curricular entrepreneurship programs led by the Liu Idea Lab for Innovation and Entrepreneurship (Lilie) with community-focused efforts led by the Rice Alliance for Technology and Entrepreneurship.

“Our No. 1 ranking is a reflection of the work and effort of our entrepreneurship faculty and staff to continually expand our programs and impact on behalf of our student and faculty founders,” said Rice Business Dean Peter Rodriguez. “Our three-years-running spot at the top is a testament to the Rice faculty, the depth and breadth of resources that are available to entrepreneurs and innovators during their time at Rice and beyond, and the students who have capitalized on their time at Rice to learn and launch their ventures from campus to the community.”
