

MISSION

Developing principled, innovative thought leaders in global communities.

VISION

Rice Business will be widely recognized for its impact on the understanding of how individuals and organizations succeed and improve the world through their activities and for the capabilities of its graduates to lead or launch highly effective and innovative firms.

OUR COMMITMENTS

Advance knowledge of what makes organizations effective in global markets

Combine highly personalized experiences with the resources of a large, diverse urban environment to create distinctive programs

Growth and impact through innovative programs and initiatives that broaden our reach and brand

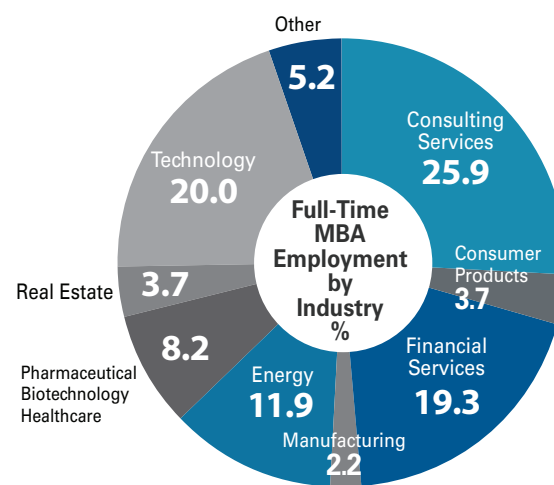

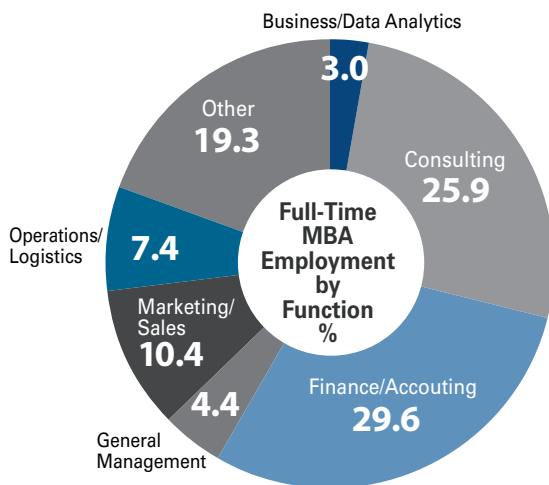

Collaborate with all parts of Rice University and our community to advance well-being locally and regionally

Create organizational structure and environment that fosters engagement, professional development and operational excellence
