Program Highlights

Weekend Format

With classes on alternate weekends (Friday and Saturday) you'll have a more manageable balance between work, life and school.

Core Courses

In your first year, core courses sharpen your analytical skills and deepen your functional expertise, equipping you to lead effectively across your organization.

Executive Forums

The EMBA program features four intensives at the beginning and end of each academic year. These five-day forums are specifically designed to cultivate an executive mindset.

Executive Seminars

Executive seminars run throughout the program, integrating cross-disciplinary concepts and developing executive skills in negotiation, communication, team dynamics and career coaching.

Electives

In your second year, you can customize your MBA program by choosing from a set of electives that align with your career goals.

What Our Students Say

"You really do need to study to become a better leader and be mindful and purposeful about how you're leading at all times. There is an art and a science to leadership; it doesn't just come naturally."

– Keri Sprung, EMBA '22

"The EMBA program is all about learning from each other – getting the perspectives of a diverse group of seasoned professionals who have already accomplished a lot."

– Luis Rodriguez, EMBA '22
