

Estimated Cost of Attendance Fall and Spring Semesters 2026-2027

Cost of Attendance estimates are provided to assist first-year students in preparing a budget for the academic year – your own costs may vary depending on lifestyle preferences and personal situation. The COA includes both Direct Costs that will show up on your bill (Tuition and Fees) as well as Indirect Costs that will not (Living Expenses, Transportation, etc.) but should also be taken into consideration.

	Master of Accounting
Tuition	\$65,100
Fees	\$773
Health Insurance	\$3,523
On-Campus Parking	\$1,088
Living Expenses	\$19,737
Transportation	\$2,925
Books & Supplies	\$1,700
Personal	\$1,125
ESTIMATED COST OF ATTENDANCE	\$96,187

The Estimated Cost of Attendance is based on a 9-month academic year at full-time enrollment. In addition to providing an estimate of the cost to attend Rice Business for one year, the COA figure also serves as the limit of financial aid you can receive during the academic year – including scholarships, loans, and third-party sponsorships
