

PROGRAM HIGHLIGHTS

For rising leaders or experienced executives, the Executive MBA is designed to leverage your extensive experience with intellectual frameworks and targeted skills development that allow you take your firm and your career to the next level, without interrupting the career you're building. This program empowers aspiring leaders to pursue innovation, draw inspiration from diverse experiences, and nourish bold ideas that challenge business conventions. The program emphasizes the development of leadership skills, strategic thinking and critical decision making. Those pillars of executive success are built on a strong foundation of core knowledge in the functional areas and are capped with a deep dive into leading the global firm. The 22-month program is structured on alternating weekends (Friday and Saturday) and is designed around executive forums, executive seminars, core curriculum and elective coursework. We're ready if you are.
