Delivered in two one-week sessions separated by an intersession, our Rice Advanced Management Program is an immersion program exclusively designed for high potential leaders and executives to successfully move into general management or functional lead roles. Upgrade your capability and visibility by leveraging our world-class management faculty, research, case studies, assessments, esteemed executive coaches and selectively admitted fellow participants that will add value to your development.

**WHO SHOULD ATTEND?**
High potential leaders and executives

**HIGHLIGHTS**

- Enhance leadership effectiveness at the individual, team and enterprise levels
- Improve ability to analyze business needs holistically and generate winning strategies
- Develop greater awareness of global economic drivers
- Sharpen understanding of finance and accounting to improve financial decisions
- Strengthen your teams’ abilities to make high stakes strategic decisions
- Establish yourself as an effective change agent
- Take advantage of 8-hours of executive coaching
- Transform yourself through the teaching from award-winning, tenured faculty with deep practical experience
