

## **G. Anthony Gorry**

### **Education**

B. Eng. with High Honors, Yale University, 1962

M.S. Chemical Engineering, The University of California at Berkeley, 1963

Ph.D., Computer Science, The Massachusetts Institute of Technology, 1967

### **Current Positions**

Rice University

Friedkin Professor Emeritus of Management

Baylor College of Medicine

Adjunct Professor, Division of Neuroscience

### **Previous Positions**

Rice University

Friedkin Chair of Management and Professor of Computer Science

Director, The Center for Technology in Teaching and Learning

Director, The W. M. Keck Center for Quantitative Biomedical Sciences Training

Principal Investigator, National Library of Medicine Training Program in Biomedical Informatics

Vice President for Information Technology

Vice President for Graduate Studies and Research

Baylor College of Medicine

Vice President for Information Technology

Professor of Neuroscience

Associate Dean

The Massachusetts Institute of Technology

Associate Professor of Management

Associate Professor of Computer Science

Assistant Professor of Management

Other

Trustee, American Board of Internal Medicine Foundation

Founder and Chairman, The Forefront Group, Inc.

Director, AirLogix, Inc.

Director, Gene Logic, Inc.

Director, Ore Pharmaceuticals Holdings, Inc.

### **Honors**

Member, The National Academy of Medicine

Fellow, American College of Medical Informatics

Member, The Academy of Medicine, Engineering and Science of Texas

## **Publications**

### Poetry
