This two-day Rice Business Executive Education course equips you with the knowledge and skills to achieve sustainable competitive advantage and growth in your business. By focusing on key elements of business strategy formulation, this course will develop your ability to evaluate and implement value-creating strategies using strategic formulation concepts, techniques and frameworks. In the context of developing strategy, this course adopts a highly interactive learning approach to enhance your ability to “ask the right questions”, which is a critical skill for any successful leader.

WHO SHOULD ENROLL?
This two-day course is for leaders at all levels.

WHAT’S IN IT FOR YOU?
• Explore the factors and benefits of strategy formulation that make an industry attractive and profitable
• Understand the implications the nature of an industry has on an organization’s strategy and advantage
• Learn how a company builds advantage over rival companies
• Evaluate alternative competitive positions and associated tradeoffs
• Consider main issues executives need to take into account when creating a winning strategic formulation
• Explore multiple approaches to growth and the benefits and costs of specific growth strategies

ON-GOING BENEFITS
• Access to the Rice Business intellectual community
• Invitations to Rice Business networking events throughout the year
